Who Will Be Miss T-Rebel?

Good Question -- "Who Will be Miss T-Rebel?" Three bright-eyed charmers (above) will supply that answer on Sat. night, Oct. 30. IN THE MEANTIME . . . everyone can help a delightful young lady to win by dropping in 1¢ a vote in any convenient store-located jar OR by writing out a check (tax deductible) to the Appomattox County Youth Assoc. which can definitely use the money for equipment for the Association and for the many sports activities enjoyed by young people throughout the county. These three contestants, Gail Moore (left), Jan Stanley (center) and Lynn Renee Reynolds (right) represent the T-Rebel Football team, oldest team in the Youth Association (11-13 year olds). A penny can still go a long way . . . VOTE. Gail's parents are Mr. and Mrs. M. Dallas Moore, Concord, Va.; Jan's, Mr. and Mrs. Harry B. Stanley and Lynn's, Mr. and Mrs. Ralph Reynolds.

Rumors are going around that the quarterback and kicker for the "Raiders" will be on hand to give a few helpful hints.

Winners from Saturday's contest will go to higher competition such as "zone" in Roanoke, "district" in Richmond, "area" at D.C. Stadium, "NFC" in Dallas and the final winners will appear at the Super Bowl. Trophies will be given at every level starting with 6 age groups here in Appomattox.

Local Players On Television

It looked like the 1965 Centennial all over again on Sunday as David Wolper Productions and CBS brought cameramen and players to Appomattox Court House National Historical Park to re-enact the Appomattox segment of the "Ballrum to Appomattox" drama being produced for television. Harry Hogan is the producer. For local men and women there was the opportunity to "be on TV" and costumed ladies, tall - hatted gentlemen (and roughclothed "farmers") all appeared on the Lynchburg-Richmond stage road between the McLean House, Handsome horses, a carriage reportedly used on "Bonanza" and old-time musical instruments were seen and heard as production proceeded throughout the day.

"Robert E. Lee' and "General Grant" were here plus other officers and men, most of them re-enactment groups which specialize in collecting and wearing authentic Civil War garb. The forthcoming TV special will appear in the Wash. D.C. area (but may eventually be purchased or rented by an Appomattox vicinity TV station.) Seen above are (from left): unidentified player holding Rebel flag, Mrs. George Ramer, Wash. D.C.; Mrs. Orie Millner, Mrs. Jim Baxter, Mrs. Roy Moon, Mrs. Charlie Martin, all of Appomattox; and Mrs. Adelaide Edwards of Farmville. There's another unidentified player at right, holding flag plus costumed player at far right.

They sincerely hope you will never need their services, but if you need them, they'll be THERE!

Activities Report For Past Year

The annual 1971 - 72 Fund Drive for the Appomattox County Rescue Squad officially begins tomorrow, Friday the 1st of October, and continues through the month of October.

For this Annual Fund Drive, a goal of $10,000.00 has been set. The County of Appomattox is indeed fortunate to have this excellent organization of volunteer workers ready and willing to serve the people whenever needed. The Appomattox County Rescue Squad has grown considerably in the past few years—and as it grows, the operating expenses are naturally increasing. The Rescue Squad is quite pleased to have three ambulances in operation for there has been a definite need for the third ambulance for some time.

During the past year, September 1, 1970 through August 31, 1971, the Appomattox County Rescue Squad has answered a total of 429 regular calls, traveling 21,375 miles and expending 1,773 3/4 man - hours on these calls. The volunteer workers of the Squad answered 45 accident calls (auto) rendering first aid and transportation to 70 persons; 336 hours were spent on drills; approximately 90 hours were spent on Safety Talks and Demonstrations; 56 hours were spent in search of a mental patient in Salem; 3 calls for water searches (drownings) were answered; one baby was delivered; approximately 600 hours were spent on Holiday Week-End stand-by and standby at football games; squad members assisted at the scene of 2 fires (no firemen needed treatment) and in answer to calls, 86 persons were in need of oxygen. Two First Aid classes were taught at the Rescue Squad Building by the eight members who are qualified to teach the American Red Cross First Aid. In these classes, 34 persons received a card for the Standard First Aid class and 27 received cards for the Advanced First Aid.

Your Rescue Squad has had a busy year and without the support of the citizens of our County it would not have been possible.

A proposed budget has been set-up for the new year, a copy of which follows: Gas and Oil, $1100.00; Heating fuel, $450.00; Telephone, $400.00; Insurance (Ambulance and Building), $1,100; Electricity, $300.00; Oxygen Supply, $400.00; First Aid Supplies, $1000.00; Laundry, $330.00; Capital Expenses and Investment, $2500.00; Training Officials, $750.00; Miscellaneous, $500.00 and New Truck Fund, $1000.00. The total of the proposed budget amounts to $9,-830.00.

The members of the Rescue Squad will be calling on you in the very near future for your contribution to their Annual Fund Drive. Please give generously when asked for your donation . . . The Appomattox County Rescue Squad needs your support in order to better serve the people of our County. Remember that one goal of the Rescue Squad is to raise $10,-000.00 during their fund drive and that the other goal is to at all times be able to serve the people and to serve them better than ever before.

Idealism Respect Needed Says Abbitt

SUFFOLK - Representative Watkins M. Abbitt (D-Va.) said in Suffolk on Friday that Americans of all ages need to cultivate a mixture of idealism and respect for the nation's heritage in order to make Democracy more workable in the years to come.

The Virginia congressman asserted that many concepts of democracy are being challenged as never before and urged that there be a better balance between the responsibilities and rights and privileges afforded American citizens.

Abbitt spoke at an assembly at John F. Kennedy High School here for the dedication of a "Freedom Shrine".

Homecoming October 10 At Liberty

Liberty Baptist Church will hold a Homecoming on Sunday, Oct. 10 beginning with morning services at 11:00 Speaker will be Dr. Thomas D. Lea, pastor.

A Fellowship Dinner will follow morning services and there will be "Open House" in the Sanctuary from 1:00 p.m. to 4 p.m. At this time there will be on display many pictures and rare documents of historical interest to the people of Appomattox county and vicinity.

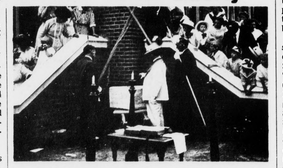
Liberty Baptist Church was organized in 1834. Original or "constituted" members are listed in minutes still in the archives of the church. The oldest document available is a license to preach issued to Thomas A. LeGrand in 1825 by Wolf Creek Church, which later became New Hope Baptist Church, Vera.

The pictures accompanying this article were taken at the time of the laying of the cornerstone of the present Liberty Baptist Church building in 1916. It was a Masonic ceremony.

The white suited gentleman in one picture is Charles W. Hancock superintendent of the Sunday School for 43 years. In the second picture the white suited gentleman is Richard I. Burke with Walter M. Hancock on the right. (Gentleman on left with back to camera is unidentified.)

Homecoming Day is also "Harvest Day", a day on which members attempt to raise funds to reduce the building debt.

Chairman of the historical committee is Miss Annie Hancock.



Children and young people thronged the steps of Liberty Baptist Church fifty-five years ago as Richard I. Burke (center) and Walter M. Hancock (right) took part in Masonic ceremonies marking the laying of the cornerstone at Liberty Baptist in 1916. The contributions of these men to Liberty plus activities of many other members are remembered in photograph and document, all a part of the historical collection of papers to be displayed Sunday afternoon at the church between 1 and 4 p.m.

The late Charles W. Hancock, supt. Sunday School, Liberty Baptist Church, (above) in 1916 during laying of the cornerstone of the present building on South Church Street.
